Diane and Michael:

Thank you for providing the DEP and CAG comments. After reviewing the DEP and CAG documents, some of the concerns about the Interim Remedy that were identified may be addressed by the CPG's February 9 CSTAG deliverable and March 1 CSTAG presentation. Would it be worthwhile to have a call to coordinate how to address the comments and other questions that came up during the stakeholder session?

Also, can EPA provide its 11 principles memorandum to the CPG?

Thank you.
